

Dear applicant,

We are very happy about your interest in the voluntary service with the CVJM Bayern.

2024/25 will be the second year to realize the camps, which means, that the project of „GlobalCastle“ is still in its very early stages. So, your initiative and your help will help to make it grow and develop it more.

A heart for Jesus, the work with young people and a very safe handling of the english language will be essential to participate in „GlobalCastle“.

Our main focus is, to prepare young people for an international youth exchange, give them safety with themselves and the english language and open the doors for them to get to know more about a personal relationship with Jesus.

If you have any questions, contact us and we are happy to help you.
