

Dear applicant,

We are delighted by your interest in holiday work with CVJM Bayern.

We will start another season of GlobalCastle. Your initiative and assistance will play a pivotal role in fostering its growth and development.

A passion for Jesus, experience in working with young people, and proficient English language skills are essential for participation in "GlobalCastle."

Our primary objective is to prepare young individuals for international youth exchanges, instill confidence in themselves and their English language abilities, and introduce them to the concept of a personal relationship with Jesus.

If you have any questions, contact us and we are happy to help you.
